ON SITE STALLION SERVICE CONTRACT

This certifies _____, herein referred to as Mare Owner, has engaged one breeding to _____, Reg. No. _____, for the _____ season at \$_____ for the mare _____, Reg. No. _____, for a live foal. Reisinger Farms will herein be referred to as Breeder.

The service is subject to the following:

1. Booking fee of \$_____ to be paid upon execution of this agreement. This booking fee is not refundable.
2. The Mare Owner shall be billed monthly for all expenses including, but not limited to board and veterinarian costs.
3. The remaining balance of \$_____ for the breeding, plus all unpaid expenses will be payable upon receipt of an invoice or when the mare leaves the Breeder's farm, whichever comes first. The Breeder requires 48 hours advance notice when the Mare Owner wishes to remove his/her mare(s). This will allow the Breeder sufficient time to prepare the final statement so the Mare Owner may settle the account.
4. A photostatic copy of registration papers (both sides), a veterinarian's health certificate, including uterine culture, worming, and current immunization records should be presented upon arrival of the mare(s). If these documents are not presented upon arrival of the mare(s), the Breeder shall have the attending veterinarian make the proper tests and evaluations at the Mare Owner's expense. A current Coggins test (6 months) shall be furnished upon the delivery of the mare to the Breeder.
5. The Mare Owner shall agree that each mare offered for breeding shall be in sound breeding condition and free from infection or disease. Any mare identified by the attending veterinarian not to be, in his opinion, in sound breeding conditions shall not be bred. A Mare Owner may substitute another mare within that breeding season. This contract shall not be transferable by the Mare Owner.
6. Live Foal Guarantee: Live foal means the foal shall stand and nurse. Mare Owner agrees that the stallion owner and/or manager does not make any guarantees as to the quality, or confirmation of the foal nor that the foal will be free of any infirmity, conformation defect, disease, or inherited trait. If the mare proves barren, aborts her foal, or if the foal is stillborn, a return season will be guaranteed the following year only, providing proper notification is given. Proper notification shall be defined as follows: Written certification by a licensed veterinarian within seven days that the mare has slipped or produced a non-viable foal. The Mare Owner shall certify that such abortion or death did not result from any act or omission of the Mare Owner subsequent to the mare's departure from Reisinger Farms.
7. Paint Horse Color Guarantee: means that if the foal could be eligible for APHA regular registration papers, but the foal is ineligible for the sole reason that it fails to exhibit a minimum amount of white hair over unpigmented (pink) skin required for regular APHA registration papers, a return breeding will be guaranteed the following breeding season only (one time). A booking fee of \$_____ must be paid in advance of the return breeding or the color guarantee is void. There is no color guarantee for the return breeding. There is no color guarantee on any breeding purchased through stallion service auctions or donated stallion services.
8. The breeding season in force for this contract shall begin Feb. 1 and close July 1 of the year covered by the contract.
9. Waiver of liability: It is understood that the breeding farm, its owners, employees, veterinarians, and guests shall not be liable for any injury, escape, disability, or death of any horse on its premises. The above names Mare Owner, whose horse(s) is(are) under the care of the Breeder, will not be liable or responsible for any damage, injury, or death to the breeding farm stallions, employees, veterinarians, or other animals in the care of Reisinger Farms, whether or not caused by his horse.
10. A breeder's certificate will be issued to the Mare Owner after ALL EXPENSES HAVE BEEN PAID IN FULL AND UPON NOTIFICATION OF THE BIRTH OF THE FOAL.
11. When the above named Mare Owner signs and returns one copy of this contract to the Breeder, it will be a binding contract, on both parties, subject to the terms and conditions. This contract will expire if not signed and returned by _____.
